

FINANCIAL

In accordance with the ACCME Standards for Commercial Support and policy of the American College of Emergency Physicians, all individuals with control over CME content (including but not limited to staff, planners, reviewers, and faculty) must disclose whether or not they have any relevant financial relationship(s) to learners prior to the start of the activity. All individuals with control over CME content have no significant financial interests or relationships to disclose.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American College of Emergency Physicians and California ACEP. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 12 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for 12 hour(s) of ACEP Category I credit.

NURSES

California ACEP is approved by the California Board of Registered Nursing for 12 contact hours, Provider Number 15059.

EMTS/PARAMEDICS

EMREF is approved by the Sacramento County EMS Agency for 12 Continuing Education Units, Provider Number 34-4600.

PHYSICIAN ASSISTANTS

The American Academy of Physician Assistants (AAPA), The National Certification Council for Physician Assistants (NCCPA) and The California Department of Consumer Affairs Physician Assistant Committee (PAC) accepts *AMA PRA Category 1 Credit(s)*[™] as equivalent to AAPA Category 1 credit for continuing medical education.

DOS

American Osteopathic Association (AOA) recognizes ACCME Category 1 Credit as AOA Category 2-A Credit. All members of AOA are required to participate in CME programs to meet the 2010-12 CME Cycle of 15 Credits ACCME Category 1 Credits and 15 AOA Category 1-A Credits.
